

# PTC COLOR COAT

High strength pipe & tubing products  
in industry standard colors

**US Premier Tube Mills** offers all of its industrial, commercial and residential pipe and tubing products in industry standard colors. After our galvanized pipe is treated with our additional corrosion resistant coatings, a 3 mil coating of our Polyester Color Coat or 10 mil Polyolefin Color Coat is applied and heat set. Our Polyester Color Coat paint process offers a durable finish that is guaranteed not to fade, crack, flake or craze for 15 years.

**Warranty** - USPTM offers a 15 year limited warranty on all Color Coat products under normal use. Contact USPTM for complete warranty details. USPTM offers all of its industrial, commercial and residential pipe and tubing products in industry standard colors.

**Made in U.S.A.** - All PTC Color Coat product from US Premier Tube Mills is manufactured in the USA meeting Buy America(n) requirements.

*We are a domestic manufacturer of domestic steel products made from only domestic steel sources.*

**Compliance Specifications for Polyester and Polyolefin Elastomer Powder Coating per ASTM F1043**
